Meeting Called to Order

The meeting was called to order at 8:03 by Chair Chuck Murdock

Approval of Minutes

The minutes from the August meeting were reviewed. A small change will be made and then filed.

Program Report

Kerri Ann provided a summary of a conference she attended on mindfulness.

In a continuing effort to gain the help of volunteers, Amy Prevo held a Volunteer Meet-Up. While attendance was low, she will continue the effort to look for volunteers and continue to hold one or two additional meet ups in the coming year.

CAMP HILLSIDE and MEADS MILL were very successful. Prevo attributed much of the success to the great staff members that helped run the programs. The question of exploring the same concept at the high school level (similar to the Pillar Program from several years ago) was raised. Prevo will discuss with school administration.

Kerri Ann provided a recap of her adult book club – ‘Overbooked’. The group will continue to meet the first Thursday of each month.

Financial Report

Director Prevo presented the financial report. There were no questions from Commissioners.

Northville Township – Mindy Herrman reported that the development at 5 Mile & Beck Roads is progressing quickly.

There will be a new pathway along Seven Mile with the help of Cooper-Standard (who is currently building their new headquarters in that location).

City of Northville – no report

Northville Public Schools – Beth Santer who replaced Nadine Harris introduced herself as the new liaison to the Commission. She looks forward to learning from the group and contributing as time goes on.
