

# PLEASE HELP BEAUTIFY THE BENNETT ARBORETUM PATHWAY

**SATURDAY SEPTEMBER 26TH, 10AM-1PM**

The Northville Township Beautification Commission is asking for volunteers to help clean up the Bennett Arboretum Pathway ‘living’ retaining walls (adjacent to Sheldon Road between Six Mile and Seven Mile) on Saturday September 26<sup>th</sup> from 10 AM to 1 PM.

This popular non-motorized pathway is well traveled by walkers, joggers and bikers. Volunteers will be pulling weeds, cutting back overgrowth and adding crushed stone to the retaining wall bricks. Beautification members will be available to help volunteers identify weeds and will also be working to beautify this portion of the pathway.

**For the safety of everyone, we will be following social distancing guidelines and requiring that all volunteers wear a mask.**

**If you can volunteer some time for this worthwhile cause, please contact Beautification Commission Co-Chair Lynne Mosteller at [northvilletwpbeautification@gmail.com](mailto:northvilletwpbeautification@gmail.com).**

Volunteers are asked to wear a mask and bring their own garden tools and work gloves, refuse bags will be provided. Long sleeved shirts, long pants and closed toed shoes are strongly suggested! We appreciate family help, but please no children younger than middle school age. Bike, walk or drive and park in the Farmer’s Market lot then cross to the pathway entrance at the SE corner of Seven Mile and Sheldon.

**Thank you for any help you are able to offer!**
