

NORTHVILLE TOWNSHIP
BEAUTIFICATION COMMISSION

June 2024

Dear Northville Township Community Member,

The Beautification Commission of the Charter Township of Northville wishes to notify you of the upcoming judging for the **35th Annual Beautification Awards**. The judging will take place mid-June to early July 2024. If you wish to submit your own photos, please do so at northvilletwpbeautification@gmail.com – deadline to submit is July 10th.

Every year, the Beautification Commission members encourage local businesses to go above and beyond the required landscape ordinances of Northville Township. We encourage you to enhance your place of business by planting extra flowers, adding window boxes or flowerpots and by keeping your landscape pruned and weeded. The judging takes into consideration all of the landscaping including the addition of flowers, overall cleanliness and general appearance of the property. For the businesses lacking any ground area to plant flowers, container gardens or planters are considered and included in the judging. Please refer to the enclosed Judging Criteria List for guidance.

The Township will award a “Best In Township Award” and a “Corporate Pride Award” to two businesses that the Commission feels have gone above and beyond in creating stunning landscapes. The Beautification Commission is very appreciative of all efforts to make the community beautiful.

Awards will be presented at a luncheon to be held in the fall. The winners will be notified by an “invitation” letter delivered by Beautification members, or via U.S. mail.

We look forward to recognizing our 2024 Beautification Award Recipients!

Sincerely,

Northville Township Beautification Commission

Lynne Mosteller, Chairperson
Julie Mantay, Vice-Chairperson
