

NORTHVILLE TOWNSHIP

inTouch

April 2024 Edition

Welcome to the neighborhood!

We're excited to introduce Northville Auto Spa (NAS) to our community!

Though it officially moved to Northville Township in December 2023, we're taking a moment now to shine a spotlight on them. As an XPEL dealer, NAS provides a range of automotive care services, including window tinting, a drive-thru hand wash, detailing and more. It is located at 17000 Northville Road.

Learn more about NAS by visiting its website: <https://northville-autospa.com/>.

IMPORTANT APRIL DATES

- 12: Water bills mailed

Shred it and forget it

Join us for our on-site shredding event Saturday, May 11, 9-11 am at Township Hall (44405 Six Mile Road). Cost: \$5 per car minimum for up to eight bags. Each additional bag will be \$1 per bag, after the eight. Cash only. Paper grocery bags only. No plastic bags, lawn bags or file boxes accepted.

Questions? Contact the Clerk's Office: clerk@twp.northville.mi.us or (248) 348-5825.

From our Township to your mailbox

Watch your mailbox for our Community Update. You should receive the booklet in April. It's here to help you explore and understand your municipality more.

Some of its highlights include:

- A word from the Township Supervisor
- A map and description of our parks
- Current projects
- Budget and financial data transparency
- and more!

A copy will be mailed to all Township households, including most apartment complexes. Are you a snowbird? If you have a forwarding address on file, these will be sent to your temporary location. If you do not receive a copy by the end of April, please stop by Township Hall, located at 44405 Six Mile Road.

Pawofficer Max reflects on a successful month of reading

The Northville Township Police Department celebrated March is Reading Month in a big way — with more than 50 scheduled readings throughout the Northville Public Schools district and delivering limited-edition custom bookmarks to the four Township elementary

schools and Meads Mill Middle School. Pawofficer Max picked his favorite.

Click the link below to see which one he chose.

Watch now

Safe sprinkling

Do you have an in-ground sprinkler system? It's time for Residential Cross Connection Inspections.

If you have an underground irrigation system to water your lawn, please listen up.

A state law requires Northville Township to introduce a cross connection control program to identify any connections that could contaminate the public water system. A cross connection is an arrangement of piping that could allow undesirable ingredients (like sewage and chemicals) to enter your drinking water supply as a result of back flow.

Northville Township hired HydroCorp Inc. to work in the Township to inspect these connections. You will be notified by mail from HydroCorp when your inspection will occur.

If any repairs are needed after the inspection, residents will need to hire a licensed plumber from an approved list to make the repairs.

For more information, please visit <https://ntwp.org/crosscontrol> or <https://ntwp.org/HydroCorp>.

Hop into fun at Eggstravaganza

Enjoy egg hunts, crafts, face painting, food trucks and more April 7 at Maybury Farm. Admission is \$5 per person, free for children under 2. This event runs 10 am-1 pm. The first 700 children get treat-filled prize bags!

Scoop up some fun with NTPD

You're invited to scoop up some fun and join the Northville Township Police Department for Cone with a Cop Saturday, April 13 at noon. The cool scene unfolds at the new Dairy Queen, 40570 Five Mile Road, west of Haggerty Road in Northville Township.

This is a great opportunity to meet members of your public safety team, ask questions and connect with neighbors. Families are encouraged to attend. Kids 12 and younger receive a free small cone, compliments of Northville Township Dairy Queen.
