# IMPORTANT AUGUST DATES

- 6: Primary election
- 16: Water bill mailed

Everyone had an amazing time at our inaugural Partners in Your Safety Run, so we're bringing it back this August – with a few minor changes.

Join us at Meads Middle School (16700 Franklin Road) **Saturday, Aug. 10** at 8:30 am. We are offering both running and walking paths.

We can't wait to see you there!

## Northville Parks & Recreation Celebrates "Where You Belong"

This July, the Northville community came together to celebrate **Parks & Recreation Month**, highlighting everything that makes our community special. Through shared park stories, heartwarming employee highlights, Township and City proclamations and engaging videos, the spirit of our community has truly shone through. Join us on our social media channels to see the wonderful moments and memories shared by our neighbors and friends.

## SAFER STREETS, SAFER HOMES

Embracing crime prevention through environmental design

*CHIEF'S BRIEFING*

Community Service Officer Andrew Domzalski recently completed a specialized training in Crime Prevention Through Environmental Design (CPTED). Learn how strategic design and community engagement are being used to enhance neighborhood safety in this month's edition of Chief's Briefing.

## A Heartfelt Collaboration

Our local heroes came together to support New Hope's Grief Camp, creating an unforgettable experience for all involved. We are truly grateful to have witnessed the collaboration of our NTPD, NTFD and other local organizations.

A huge shoutout to New Hope Center for Grief for organizing another fantastic event at Maybury Farm! This camp focused on helping our young ones navigate grief through interactive and enjoyable activities. From bonding with farm animals who have also experienced loss to hand painting with horses, bonding through sports games, and jamming to live music sessions, the kids had an amazing time!

We are already looking forward to next year's camp and can't wait to see everyone there!

## Honoring Our Heroes

In November of last year, several of our officers demonstrated extraordinary bravery and dedication by entering a burning apartment building to ensure the safety of all residents. Their courageous actions have not gone unnoticed, as they have been honored with

the prestigious Medal of Valor by the Michigan Association of Chiefs of Police in June of this year.

The Medal of Valor is a testament to their selflessness and commitment to protecting our community under the most challenging circumstances.

Please join us in extending congratulations to:

- Lt. Chris Rowley
- Sgt. Todd Seipenko
- Officer Jennifer Johnson
- Officer Mark Foster
- Officer Andrew Prieskorn

Their bravery demonstrates the highest standards of law enforcement, and we are incredibly proud to have such exemplary individuals serving our community.

## Exciting News for Young Basketball Enthusiasts!

For the first time, we are offering a recreational basketball league for first and second graders! Our new fall league emphasizes skill development, exercise and team play for all levels while promoting good sportsmanship and camaraderie. This 8-week season will be on Saturdays only, eliminating weeknight commitments.

The first two weeks will feature team clinics starting Oct. 19. The next six weeks will include team practices (45 minutes) followed by games (45 minutes), running from Nov. 2-Dec. 14.

We also offer leagues for boys and girls up to 8th grade. Registration opens Aug. 5 for residents and Aug. 7 for non-residents. Register at [northvilleparksandrec.org](http://northvilleparksandrec.org).

**Volunteer Coaches Needed!** Our program thrives on the support of volunteer coaches. Interested parents can contact Michael Judon at [mjudon@twp.northville.mi.us](mailto:mjudon@twp.northville.mi.us). All volunteers must pass a background check before the season begins. There will be a mandatory coaches meeting after the registration deadline.
