## Enhancing Community Safety: Why Informing Your Police Department about Autism Matters

Do you have a family member on the autism spectrum? Informing your Police Department can be beneficial.

First responders value the opportunity to get to know members of the community on the autism spectrum. This awareness helps in understanding and correctly interpreting the behaviors of individuals with special needs and avoiding misunderstandings. It also enhances safety in situations where a police officer might visit and encounter unexpected responses.

To link a loved family member to your address in our system, please fill out and return the provided form: <https://ntwp.org/autismprofile>.

Township offices will be closed Monday, May 27 in observance of Memorial Day. Rubbish collection will be delayed one day due to the holiday.

## Celebrating Community

Our Northville Township team and community members came together for the Chamber of Commerce's annual State of the Community Luncheon. Supervisor Mark Abbo delivered an inspiring speech, highlighting the progress and future endeavors of Northville Township. Northville City Mayor Brian Turnbull and Superintendent Dr. RJ Webber shared exciting updates from the City and School District.

We're eager for the year ahead and anticipate more great news.

## Senior Inspire Newsletter Now Available

The May-June 2024 edition has arrived! Copies may be obtained at the Northville Community Center, located at 303 W Main Street. You may also access it online at <https://npar.info/InspireNewsletter> or click the button below.
